

COVID-19 Coding and CDI

Intellis IQ Coding and CDI guidance for the 2019 Novel Coronavirus (COVID-19)

EDUCATION & TRAINING

As the nation's healthcare paradigm continues to shift in response to the COVID-19 pandemic and national emergency, Intellis offers HIM professionals timely education and training for diagnosis and procedure coding as well as ways to maintain clinical documentation integrity.

Our **FREE** education and training webinars are led by the Intellis IQ team of subject matter experts. The information presented is

based on trusted healthcare sources including the American Health Information Management Association (AHIMA), the American Medical Association (AMA), the Centers for Disease Control and Prevention (CDC), and the Centers for Medicare & Medicaid Services (CMS). The education presented is monitored continuously to reflect the most current healthcare and industry updates.

Schedule your **FREE** live webinars today!

Each webinar includes a 1-hour education session presented by the Intellis IQ team of industry experts.

1-Hour Webinar

Our Education and Training Subject Matter Experts

Kim Felix RHIA, CCS, Vice President of Education

Kim has more than twenty-five years of HIM coding experience, including coding, auditing, and management at academic medical centers as well as community hospitals. She was a project manager for a Big Four RADV audit and ICD-10 conversion for analytics software.

Kim is a distinguished member and presenter for various national and local associations. She is a recognized leader in the HIM education field. Her education experience includes adjunct faculty appointments at Temple University, Gwynedd-Mercy College, Pierce College, Thomas Jefferson University as well as acting as a study mentor at Western Governors University.

Jeanie Heck BBA, CCS, CPC, CRC, Director of Education

Jeanie has built a career in the HIM field for more than twenty-five years. Her work has focused on the outpatient practice arena. She has extensive experience as both a business and a practice manager.

Jeanie is an approved AHIMA ICD-10-CM trainer and has extensive teaching experience in CPT, ICD-9-CM, ICD-10-CM, ICD-10-PCS, medical coding practicum, healthcare reimbursement, and medical terminology. She serves as an adjunct instructor at Camden County College and Santa Barbara City College. She currently serves as a lead auditor for a Big Four RADV audit.

Allison Van Doren RN, BSN, CCDS, CDIP, CRC, Vice President of Clinical and Quality Services

Allison is a national leader for CDI and Quality initiatives. She possesses extensive experience in creating and managing CDI programs, PSI and Mortality committees leading academic medical centers to best documentation practices. Her approach profoundly impacts patient care,

patient safety, denials, and reimbursement. Additionally, she has 15+ years of cardiac and surgical care nursing experience.

Allison's passion for CDI focuses on both education and quality. She understands clients' complex needs and provides knowledge-based training, support solutions, and excellent service.

Our Proven Expertise

- ✓ Conveys advanced knowledge of CMS landscape and standards
- ✓ Quantifies lost reimbursement
- ✓ Customizes programs to optimize reimbursement
- ✓ Analyzes primary care and specialty clinic coded data
- ✓ Leverages analytics, EHR tech to drive process improvements
- ✓ Empowers physicians to focus on quality patient care
- ✓ Tailors education for providers and coders

Our Healthcare Advisory Solutions

Revenue Cycle and Health Information Services

- Medical Coding
- Medical Coding Audits
- Department Operational Assessments
- Chargemaster Engagements
- Risk Adjustment/HCC Coding and Auditing
- Denials Management

Clinical Documentation and Quality Services

- Second Level Reviews
- Query Reviews
- CDI Department Assessments
- IP and OP Program Implementation
- IP and OP CDI Review Process
- PSI and Mortality Review/Committee Implementation

Health Information Technology Services

- Master Patient Index Clean-up
- Clinical Data Abstraction
- Scanning & Indexing
 - EMR Implementation
 - HIMMS Stage 7 Point of Care
- EPIC Implementation and Management
- OnBase Implementation and Management

Education and Training Services

- Medical Coding
- Clinical Documentation Integrity
- Provider Education
- Annual Coding Updates

Intellis can provide credentialed staff augmentation, program support and interim management across the revenue cycle continuum.
